Responsibilities

Overall and final responsibility for health and safety is that of the Full Council of Oakley Parish Council

Day-to-day responsibility for ensuring this policy is put into practice is delegated to Clerk to the Council

To ensure health and safety standards are maintained/improved, the following people have responsibility in the following areas

Bus shelter cleaning – Clerk to the Council

Litter picking – Clerk to the Council

Clerk – Full Council

All employees have to:

- co-operate with supervisors and Oakley Parish Council on health and safety matters;
- not interfere with anything provided to safeguard their health and safety;
- take reasonable care of their own health and safety; and
- report all health and safety concerns to an appropriate person (as detailed in this policy statement).

Health and safety risks arising from our work activities

Risk assessments will be undertaken by Clerk to the Council.

The findings of the risk assessments will be reported to Oakley Parish Council

Action required to remove/control risks will be approved by Oakley Parish Council.

Clerk to the Council will be responsible for ensuring the action required is implemented.

Oakley Parish Council will check that the implemented actions have removed/reduced the risks.

Assessments will be reviewed annually or when the work activity changes, whichever is soonest.

Consultation with employees

Oakley Parish Council will consult with employees on the following:

- any new measure which may substantially affect their health and safety at work, for example new equipment, new ways of working and new procedures
- arrangements for getting competent people to help satisfy health and safety laws
- the information we give to employees on the risks to health and safety arising from their work, measures to reduce or get rid of these risks and what they should do if they are exposed to a risk, including emergency procedures
- planning and organising health and safety training and
- the health and safety consequences for them of any new technology we plan to introduce.

The information provided to employees will be in a form that can be easily understood.

Oakley Parish Council will consult directly with employees through face-to-face discussions.

Oakley Parish Council will allow enough time for employees to consider the issues and give informed responses. Employees are encouraged to ask questions, raise concerns and make recommendations.

Oakley Parish Council will take employees' views into account before a final decision is made, respond to any concerns and questions raised and explain the final decision and why it has been taken.

Safe equipment

Clerk to the Council will be responsible for identifying all equipment needing maintenance.

Clerk to the Council will be responsible for ensuring that all identified maintenance is implemented.

Any problems found with equipment should be reported to Clerk to the Council

Clerk to the Council will check that new equipment meets health and safety standards before it is purchased.

Safe handling and use of substances

Clerk to the Council will check that new substances can be used safely before they are purchased. Oakley Parish Council does not currently use or store any substances which need a COSHH assessment.
